Summary of Statement:

As we arrived and witnessed the suspect(s) Mathews Jaehning & Lisl Auman enter the hallway area I was behind my partner Marc E Bennett #84047 from where I could see the female standing at the corner of the hallway and as Marc was ordering her out I observed her lean to her right as if to drop something then stand back up with no weapons in her hands. Directly behind the female suspect I observed the male leaning over at a doorway as if to put a key into the lock then turn around and run north in the hallway where I lost sight of him. At this time I did not observe any weapon in his hands either. This is an additional statement
